Let us inspire your next journey

Dear traveller,

For more than 260 years, passion and a pioneering spirit have underpinned everything we do. Travel, by its very nature, is about moving forward, and we are always seeking ways to innovate, improve and inspire through our tours.

Continuing that long-standing ethos, our specialists have been working hard to enhance Cox & Kings' offerings ahead of the world's reopening. I'm proud to say that much of these efforts are showcased in this very brochure, from a flexible booking policy designed to give you the confidence to plan ahead, to a new range of tours shining the light on lesser known but eminently worthy destinations.

Within these pages, you'll find a globe-spanning selection of our most popular small-group tours for 2022-2023 – spaces on which are already filling up as confidence in travel returns. I hope this collection will serve as inspiration, as well as a tantalising glimpse of our more comprehensive worldwide brochure, launching later this year.

On a Cox & Kings group tour, your itinerary will be sprinkled with signature experiences designed to enthrall and delight; the group within which you travel will be small, averaging just 14 guests; and the experts guiding you will provide great insight into your chosen destination. These benefits, alongside others detailed in the following pages, promise you a superlative way to explore the world.

For many of us, this period has been marked by an absence of two of life's most important influences: the people we love, and new places to explore. I'm certain I speak for all of Cox & Kings when I say that it would be our pleasure to redress this balance, beginning with your long-awaited journey to somewhere extraordinary.

Wishing you health, happiness and safe travels,

Geoffrey Kent

Safeguarding your health

As the world's longest established travel company, Cox & Kings is unsurpassed at delivering small-group and tailor-made travel experiences – and uniquely qualified to protect your wellbeing when travelling in the wake of COVID-19.

We put your health and wellbeing first, leaving you free to explore with the peace of mind that comes with having the world's foremost travel experts at your side.

Long-standing relationships with a global network of partners

Cox & Kings has developed enduring relationships with the finest local agents and suppliers, from restaurants and hotels to transportation providers. These partners know our exacting standards and have been fully vetted to make sure they comply with all local regulations regarding health and hygiene.

We're adhering to best practices for cleanliness and disinfection

As part of our commitment to your wellbeing, we follow the most up-to-date guidelines established by leading health experts, including the World Health Organization, to minimise any opportunity for Coronavirus exposure during your journey.

We're committed to facilitating physical distancing

Our private and small-group journeys are well-suited to exploring with safe physical distancing in place: we never overfill vehicles; our guides will greet you with smiles instead of handshakes; no-contact check-in/check-outs in many hotels; and group dining will be arranged to allow for plenty of space from other guests.

Travel in a small group or in your own private party

Our small groups average just 14 guests, making it much easier to maintain cleaning and hygiene procedures and ensure adequate distance between guests. On a tailor-made holiday, your group size is completely up to you, and you travel only with the people you choose.

Wearing personal protective equipment on your holiday

On some of our holidays, you may be asked to wear personal protective equipment (PPE), such as face masks and gloves, in accordance with local health regulations. We encourage you to bring your own PPE, and you are free to wear it even where it is not mandatory by local requirements. Your local Cox & Kings team will also have a supply of PPE on hand.

Our tour guides are trained in health and safety

The expertise of our guides extends beyond culture, history and wildlife, to your destination's health regulations as well as Cox & Kings' practices and protocols. They oversee the many procedures that go into making your journey safe, from confirming the restaurants in your itinerary are freshly cleaned before arrival to ensuring your luggage is always handled carefully between destinations.

All guides and staff follow rigorous health and safety procedures

Everyone involved in running your journey – from the guides you travel with to the drivers, baggage handlers and others behind the scenes – observes a strict health and safety regimen. That includes regular staff health and temperature monitoring, as well as wearing PPE when necessary and in compliance with local guidelines.

We facilitate in-country COVID-19 testing and provide round-the-clock support

Our global network of offices has the knowledge and reach to support you throughout your journey, from coordinating COVID-19 testing between countries to answering any questions that may arise. We're experienced in handling emergencies and providing our guests with 24/7 support.

Escorted group tours

Designed by experts

Experience counts for a lot. Years of taking detailed research trips, speaking to local experts on the ground and, not least, getting invaluable feedback from our clients, means that we bring unsurpassed expertise to designing touring itineraries. Below are some of the elements that make our tours special.

Small group sizes

We like to keep our groups compact and manageable, with an average group size of 14 and a maximum of 18 on the majority of tours. Look out for specific details under the 'tour features' on the relevant page.

No single supplements

In addition to our Solo Travellers tours, we are offering the first three places on several of our group tours with no single supplement to pay. Please enquire for availability.

Local tour managers

We employ local tour managers for their in-depth knowledge of the places, people and culture, which in turn supports the local community.

Excellent value for money

For those seeking a premium touring experience, comparing all inclusions, our tours offer superb value for money. All sightseeing entrance fees and local taxes are included, unless stated otherwise.

High quality accommodation

We take great care in our selection of accommodation. Typically, we feature well-located, 4- and 5-star hotels.

Signature Experiences

Each tour includes a number of exceptional experiences, revealing hidden wonders and cultural secrets. We specialise in taking travellers, in comfort, to places off-the-beaten-path and outside the realms of many other operators.

Balanced pace

Opportunities to relax or explore independently are built into most tours. However, unlike other operators we will always include what we believe are the must-see highlights in the cost of your tour.

Tailored to you

We are delighted to organise pre- or post-tour extensions, as well as room and flight upgrades.

Private journeys

All of our group tours can be taken on a private basis. Please enquire for more details and pricing.

Flight flexibility

International flights are included as standard, with the option to choose an alternative airline (where available), add regional flights or join the tour on a land-only basis.

24-hour emergency support

While you are away, you will have 24-hour phone numbers for both our local representatives and our UK emergency phone.

Full holiday protection

We are members of AITO and ABTA, our air holidays are fully ATOL protected and we follow the advice of the UK's Foreign, Commonwealth & Development Office regarding destination safety.

They will listen to your requirements and design an itinerary tailored to suit your needs, no matter how complex or unique they may be.

Personalised service

Throughout the planning process you will be guided by your personal travel consultant who will suggest ideas to complement your own and create the optimum itinerary to suit your interests, time and budget.

Total flexibility

Travelling by air-conditioned private car, you will have the flexibility to make stops en route, where and when you wish.

Knowledgeable private guides

An English-speaking local guide will accompany most sightseeing excursions, so you can ask as many questions as you like, based on your particular interests.

Signature Experiences

From market tours and cooking classes to hot-air balloon rides and epicurean dining, we can arrange a whole variety of immersive experiences.

Wide choice of accommodation

Whether it's a sophisticated city centre hotel, a 'back-to-nature' wilderness lodge, a luxury train in India or a cruise along the Nile, we can cater to all tastes and a range of budgets.

Multi-country itineraries

We are experts at combining multiple countries in a single journey.

Honeymoons & special occasions

If you are planning a honeymoon, a special anniversary holiday, or the journey of a lifetime to mark retirement, you can trust us to make the experience carefree and unforgettable.

Family adventures

We arrange seamless itineraries that include experiences to inspire older and younger generations alike.

Slow-paced travel

If you have the time, slow-paced travel can be exceptionally rewarding and can allow deeper immersion into the local culture. Our travel consultants delight in organising easier-paced, less conventional itineraries to fit in with particular interests.

Private groups

If you are a member of a club, society or simply a group of friends with a common interest, we can create an itinerary to suit the particular interests, dates and budget of the group.

24-hour emergency support

While you are away, you will have 24-hour phone numbers for both our local representatives and our UK emergency phone.

Full holiday protection

We are members of AITO and ABTA, our air holidays are fully ATOL protected and we follow the advice of the UK's Foreign, Commonwealth & Development Office regarding destination safety.

FESTIVAL DEPARTURES

Hanami (cherry blossoms)

Hanami, literally meaning 'flower viewing', is the traditional Japanese custom of enjoying the blossoming cherry trees from March to

early May, and specifically in Tokyo and Kyoto in early April. Cherry blossom can be seen on many of the excursions on the March and April departures.

IMPORTANT INFORMATION

Accommodation: Please note that in Japan room sizes can be significantly smaller than in Europe.

Itinerary: Excursions on days 3 and 4 may be switched, subject to local conditions. Please note that travellers will need to pack an

overnight bag for days 5-6 and 9-10, as main luggage will be transferred separately between hotels.

Private & tailor-made travel: This itinerary can be taken privately on a date that suits you, but note that the cost of travelling on a private basis rather than as part of a group is significantly higher in Japan than in most countries. This is because of the very high costs of private guides and vehicles. To reduce costs, a similar itinerary can be booked using public transport and some self-guided excursions. Terms and Conditions

Our full Terms and Conditions apply to all bookings you make with us. These appear on our website at www.coxandkings.co.uk and can also be provided by post or e-mail on request. Due to space constraints, the following Terms and Conditions contain only some of the terms and conditions (which may also be a summary) which apply to your booking. Before you make your booking, you must read our full Terms and Conditions. By seeking confirmation of your booking, we are entitled to assume that you have done so and accept the full Terms and Conditions as the basis for your contract with Abercrombie & Kent Limited, trading as "Cox & Kings" of St George's House, Ambrose Street, Cheltenham, Glos. GL50 3LG, which is registered in England under company number 1082430. In these Terms and Conditions, 'you' and 'your' means all persons named on the booking or any of them as applicable (including anyone who is added or substituted at a later date).

1) YOUR CONTRACT

Where you book a package holiday, your contract will be with Cox & Kings. When you make a booking the person who makes the booking guarantees that they have the authority to accept and do accept on behalf of your party these Terms and Conditions.

2) BOOKING, PAYMENT AND CONFIRMATION

(a) Full information as to how to make a booking is shown on our website. A minimum deposit of £250 per person or 15% of your total holiday cost, (20% for Australasia), whichever is greater, must be paid at the time of booking. For some holidays, a higher deposit will be payable or it may be necessary to make full payment at the time of booking. This is usually the case where full payment for certain services, such as your flight, has to be made immediately after your booking is confirmed in order to secure that service or the price quoted at the time of booking. Where full payment is required at the time of booking, 100% cancellation charges will also apply from confirmation of booking in the event that you subsequently cancel.

(b) Where you book over the telephone and we are in a position to confirm your booking, a binding contract between you and Cox & Kings will come into existence when we verbally confirm your booking. All other bookings will be confirmed and a binding contract will come into existence when we issue a confirmation invoice. Please note, though, that if you book private travel arrangements or an extension to a group tour, your accommodation, flights etc will only be requested by us once the payment due at the time of booking has been received. Your confirmation invoice will indicate your requested package cost and you will be advised of any accommodation, flights etc that are still on request and not confirmed at the time the confirmation invoice is issued.

(c) If your confirmed booking includes a flight, we (or if you booked via an authorised agent of ours, that agent) will issue you with an ATOL Certificate.

(d) It is your responsibility to check the confirmation invoice, ATOL Certificate and any other documents we send you carefully and to let us or your travel agent know immediately in the event of any error or inaccuracy, as it may not be possible to make changes later.

(e) The balance of your holiday cost is payable not less than 60 days prior to departure, unless you are informed otherwise. If all payments are not received on time, we are entitled to assume you wish to cancel. Cancellation charges will apply in accordance with clause 9(a). If we do not cancel straightaway because you promise to make payment, you must pay the cancellation charges shown in clause 9(a) depending on the date we reasonably treat your booking as cancelled by you.

(f) Travel documents will be provided as referred to in our full Terms and Conditions.

(g) Prices include all government taxes in the amount applicable at the time of booking that do not have to be paid locally. Those that have to be paid locally by you are extra and are your responsibility (such as international airport departure tax or local resort taxes).

3) REDUCED MOBILITY / MEDICAL CONDITIONS / DISABILITIES / SPECIAL REQUESTS

The information you are provided with about your holiday before you make your booking will include a general indication of the suitability of the holiday for someone with reduced mobility.

However, reduced mobility means different things to different individuals as individual capabilities, restrictions and requirements are likely to vary considerably. If you suffer from restricted mobility or have any disability or medical condition which may affect your holiday arrangements, please give us full details before booking so that we can provide you with precise information as to the suitability of the holiday taking into account your needs. We may ask you to confirm full details in writing. Please promptly inform us in writing in the event that any material change in your mobility, any disability or medical condition occurs after your booking has been confirmed.

We will deal with special requests and information relating to any disability, medical condition or reduced mobility

as referred to in our full Terms and Conditions. Special requirements we have accepted will be specifically confirmed as accepted on your confirmation invoice.

4) YOUR TRAVEL AGENT

For flight inclusive bookings, all monies paid to any authorised travel agent of ours for your holiday with us will be held on behalf of and for the benefit of the Trustees of the Air Travel Trust subject to the travel agent's obligation to pay such monies to us in accordance with our trading terms unless we fail. In the unlikely event of our financial failure, all monies then held by the travel agent or subsequently paid by you to the travel agent will be held by the agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation on the agent to pay such monies to us.

5) INSURANCE

It is a condition of booking that you have adequate insurance for your holiday. Further information on this requirement is shown in our full Terms and Conditions.

6) ALTERATION BY YOU

If you wish to make any amendments to your holiday after it has been confirmed (including where you wish to transfer your place on the booking to someone else), you must inform us in writing and we will do our best to help. An amendment fee of £50 together with the costs and charges incurred as a result or, for certain alterations, cancellation charges, will be payable. Please see our full Terms and Conditions for further information.

If you wish to change any aspect of your holiday after it has commenced, we and our agents will do their best to assist, subject to payment locally of all applicable charges and costs. If you wish to transfer your place on your booking to another person (introduced by you), you may do so, subject to compliance with the following conditions:

- provided the person to whom you are transferring your place satisfies all conditions applicable to the holiday; which form part of your contract with us.

- Requests for a transfer must be made in writing at least 7 days prior to departure and must be accompanied by the name and other applicable details of the person who will replace you.

- In the event that the balance of the holiday cost is due but has not been paid when the transfer request is made, this must be paid before the transfer can be made. Any additional payment amount that our suppliers require to effect the change (if the transfer can be made) will be payable. Please note, in some cases suppliers such as airlines treat name changes as a cancellation, levying cancellation charges and requiring payment for a new ticket. These charges must be paid by you, before any change can be made.

- The transferee agrees to these Terms and Conditions and all other terms of the contract between us.

You and the transferee remain jointly and severally liable for payment of all sums. If you are unable to find a replacement, cancellation charges as set out in clause 9 will apply in order to cover our estimated costs. Otherwise, no refunds will be given for passengers not travelling or for unused services.

7) PRE-DEPARTURE CHANGES TO, OR CANCELLATION OF, YOUR ARRANGEMENTS BY US

(a) Pre-departure Changes

Changes to confirmed holiday arrangements sometimes have to be made and we reserve the right to do so at any time. Most changes will be insignificant and we have the right to make these. Where an insignificant change is made before departure, we will notify you in writing. No compensation is payable for insignificant changes. Insignificant changes are likely to include (but are not limited to) (1) changes to any destination(s), place(s) of stay or port(s) or place(s) of call for your holiday which is not a major, confirmed destination, place of stay or port or place of call and (2) substitution of a named lecturer and /or leader for another knowledgeable expert in the same field. Occasionally, before departure, we may have to make a significant change to any of the main characteristics of the travel services which form part of your confirmed booking or to any special requirements which we have accepted as referred to in clause 3. Examples of significant changes can be found in our full Terms and Conditions.

In the event that we have to make a significant change, we will provide you with the following information in writing as soon as possible: (i) the proposed alteration(s) and any impact they have on the price; (ii) in the event that you do not wish to accept the alteration(s), details of any substitute package we are able to offer (and any price reduction where this is of a lower quality or cost); (iii) your entitlement to cancel your booking and receive a full refund if you do not want to accept the alteration(s) or any substitute package offered; and (iv) the period within which you must inform us of your decision and what will happen if you don't do so.

We also deem certain Covid-19 related travel and destination requirements as insignificant changes in that we do not expect these changes to significantly affect the performance of the holiday or your overall holiday enjoyment. Such changes may include the requirement to wear face masks, make regular use of sanitising stations and maintain social

distancing. Some changes may also affect the availability of certain services and facilities. We expect all guests to adhere to the local and national guidance that is in force at the destination and whilst travelling to and from the destination, and the Company shall have no liability to you if you fail to comply with those rules and regulations. Where we deem Covid-19 changes to have a significant impact upon your holiday we will follow the procedure as outlined below.

If you choose to cancel your booking, we will refund all payments you have made to us within 14 days of the date we receive your written cancellation. If we don't hear from you with your decision within the specified period (having provided you with the above mentioned information for a second time), we will cancel your booking and refund all payments made to us within 14 days of our doing so. No compensation will be payable or other liability accepted where a change results from Force Majeure (see clause 8).

(b) Pre-departure Cancellation

Occasionally, it may be necessary to cancel confirmed holiday arrangements and we reserve the right to do so. In the event: (i) we are prevented from performing your contracted holiday arrangements as a result of Force Majeure (see clause 8) and we notify you of this as soon as reasonably possible; or (ii) we have to cancel because the number of persons who have booked the holiday on which you are travelling is smaller than the minimum number applicable to the holiday as stated in the contract and you are notified of the cancellation not less than 8 weeks before departure; we have the right to terminate your contract. In this situation, we will refund all monies you have paid to us within 14 days of the date we inform you of the cancellation but will have no further or other liability to you including in respect of compensation or any costs or expenses you incur or have incurred. All group holidays, except those labelled as 'non-exclusive', require a minimum number of bookings before they will operate. We will inform you of cancellation for lack of minimum numbers as set out above.

8) FORCE MAJEURE

For the purposes of these Terms and Conditions, Force Majeure means any event beyond our or our supplier's control, the consequences of which could not have been avoided even if all reasonable measures had been taken. Examples include warfare and acts of terrorism (and threat thereof), civil strife, significant risks to human health such as such as pandemics, epidemics or the outbreak of serious disease at the travel destination or natural disasters such as floods, earthquakes or weather conditions which make it impossible to travel safely to the travel destination or remain at the travel destination, the act of any government or other national or local authority including port or river authorities, industrial dispute, labour strikes, lock closure, natural or nuclear disaster, fire, chemical or biological disaster, unavoidable technical problems with transport, airport, port or airspace closures, restrictions or congestion and flight restrictions imposed by any regulatory authority or other third party and all similar events outside our or the supplier(s) concerned's control. Except where otherwise expressly stated in these Terms and Conditions, we have no liability including for compensation, costs and expenses in such situations.

9) CANCELLATION BY YOU

(a) You may cancel your confirmed holiday booking at any time prior to departure. Should you wish to do so, you must notify us or your travel agent (as applicable) in writing. Such notification will only be effective on receipt by us or the travel agent (as applicable).

Cancellation charges will apply as set out below unless you are otherwise advised at the time of booking. In calculating these cancellation charges, we have taken account of possible cost savings and the generation of income from other bookings which may be able to utilise cancelled services to the extent this is likely to be achievable for tailor-made holiday arrangements. For some bookings, including those for which full payment is required at the time of booking, 100% cancellation charges apply from confirmation of your booking. Where the cancellation charge is shown as a percentage, this is calculated on the basis of the total cost payable by the person(s) cancelling, excluding any amendment charges which are not refundable.

| Days before departure notification received | Amount of cancellation charges as a % of total holiday cost |
|---------------------------------------------|-------------------------------------------------------------|
| More than 60 days | Deposit(s) (inc any higher deposit) |
| 46-59 days | 30% or deposit(s) if higher |
| 30-45 days | 60% |
| 15-29 days | 90% |
| 0-14 days | 100% |

No allowance or refund can be made for meals, rooms, excursions etc. included in the price of your holiday but not taken, nor can any refund be made for services that cannot be used due to lost, mislaid or destroyed travel tickets or vouchers. Part cancellation of a booking may result in increased costs for the remaining party members.

(b) Cancellation charges will not be applicable in the event

that unavoidable and extraordinary circumstances occur in the place of destination of your holiday or its immediate vicinity which significantly affect the performance of the contracted holiday services or the carriage of passengers to that destination and as a result you notify us in writing prior to departure that you wish to cancel your holiday. In this situation, we will refund all monies you have paid to us within 14 days of the date you notify us in writing of your cancellation but will have no further or other liability to you including in respect of compensation or any costs or expenses you incur or have incurred. Please note that your right to cancel in these circumstances will only apply where the Foreign, Commonwealth & Development Office advises against travel to your destination or its immediate vicinity. For the purposes of this clause, "unavoidable and extraordinary circumstances" means warfare, acts of terrorism, significant risks to human health such as the outbreak of serious disease at the travel destination or natural disasters such as floods, earthquakes or weather conditions which make it impossible to travel safely to the travel destination.

10) PRICES

Where your contract is with Cox & Kings, once the price of your chosen holiday has been confirmed at the time of booking, it will not change. We reserve the right to make changes to, and correct errors in, advertised prices at any time before your holiday is confirmed. Occasionally our holiday prices are discounted for a limited period for promotional purposes. Discounts cannot be applied retrospectively to reduce the price of a confirmed booking.

11) YOUR RESPONSIBILITIES

(a) British Foreign, Commonwealth & Development Office Travel Advice: The UK government provides advice on safety and security, entry requirements and health for countries around the world, as well as general information, at www.gov.uk/foreign-travel-advice and <https://travelaware.campaign.gov.uk/>. You are strongly recommended to read the advice about the country you are planning to visit prior to booking. You should also revisit the advice regularly prior to your departure as it may change frequently. It is possible to sign-up to receive FCDO e-mail updates for your destination so you are aware of any changes to advice they issue and it is recommended you do this.

(b) Visas: General information concerning visa requirements applicable is set out in our Documents & Health section. Please also see our full Terms and Conditions for further information.

12) OUR LIABILITY

(i) We will accept responsibility for the arrangements we agree to provide or arrange for you as an "organiser" under the Package Travel and Linked Travel Arrangements Regulations 2018, as set out below and as such, we are responsible for the proper provision of all travel services included in your package, as set out in your confirmation invoice. Subject to these Terms and Conditions, if we or our suppliers negligently perform or arrange those services and we don't remedy or resolve your complaint within a reasonable period of time, and this has affected the enjoyment of your package holiday you may be entitled to an appropriate price reduction or compensation or both. You must inform us without undue delay of any failure to perform or improper performance of the travel services included in this package. The level of any such price reduction or compensation will be calculated taking into consideration all relevant factors such as but not limited to: following the complaints procedure as described in these Terms and Conditions and the extent to which ours or our employees' or suppliers' negligence affected the overall enjoyment of your holiday. Please note that it is your responsibility to show that we or our supplier(s) have been negligent if you wish to make a claim against us.

(ii) We will not be responsible for any injury, illness, death, loss (including loss of possessions or enjoyment), damage, expense, cost or other sum or claim of any nature whatsoever which results from any of the following: (1) the act(s) and / or omission(s) of the person(s) affected; or (2) the act(s) and / or omission(s) of a third party not connected with the provision of your holiday and which were unforeseeable or unavoidable; or (3) Force Majeure as defined in clause 8.

(iii) We cannot accept responsibility for any services that do not form part of our contract with you. This includes, for example, any additional services or facilities that your hotel, cruise provider or any other supplier agrees to provide for you where the services or facilities are not advertised in our brochure or on our website as forming part of your holiday and we have not agreed to arrange them as part

of our contract, and any excursion / activities you purchase while away.

(iv) Except as set out in clause 12(v), no limitation on the amount of damages which can be claimed will apply in respect of personal injury or death which we or our employees have caused intentionally or negligently or in respect of any other liability which we cannot limit under English law. For all claims concerning or arising out of loss of, delay and / or damage to any luggage or personal possessions (including money) for which we are liable, the maximum amount we will have to pay you is an amount equivalent to the excess on your insurance policy which applies to this type of loss per person in total because you are required to have adequate insurance in place to cover any losses of this kind, unless a different limitation applies to your claim under clause 12(vi) below. For all other claims, if we are found liable to you on any basis, the maximum amount we will have to pay you is up to three times the total price of your holiday unless a lower limitation applies to your claim under clause 12(v) below. re any claim or part of a claim (including those involving death or personal injury) concerns or is based on any travel arrangements (including the process of getting on and / or off the transport concerned) provided by any air, rail or sea carrier to which any international convention or EU regulation applies, our liability (including the maximum amount of compensation we will have to pay you, the types of claim and the circumstances in which compensation will be payable) will be limited as if we were the carrier in question as referred to below. The most we will have to pay you for that claim or that part of a claim if we are found liable to you on any basis is the most the carrier concerned would have to pay under the international convention or EU regulation that applies to the travel arrangements in question (for example, the Warsaw Convention as amended or unamended and the Montreal Convention

(v) for international travel by air and / or, for airlines with an operating licence granted by an EU country, the EC Regulation on Air Carrier Liability No 889/2002 for national and international travel by air, EC Regulation 392/2009 on the liability of carriers of passengers in the event of accidents and / or the Athens Convention (as amended by the 2002 Protocol) for international carriage by sea and the Convention of 1980 concerning International Travel by Rail (COTIF) as amended for travel by rail). Where a carrier would not be obliged to make any payment to you under the applicable international convention or EU regulation (including where any claim is not notified and issued in accordance with the time limits stipulated in the applicable convention or regulation), we similarly are not obliged to make a payment to you for that claim or part of the claim. Please also note that strict time limits apply for notifying loss, damage or delay of luggage to the airline. Any proceedings in respect of any claim (including one for personal injury or death) must be brought within 2 years of the date stipulated in the applicable convention or regulation. You are not entitled to make any claim against us which concerns or is based on any travel arrangements provided by any air, rail or sea carrier if such a claim is not expressly permitted to be brought against the carrier by the international convention or regulation that applies to the travel arrangements in question. When making any payment, we will deduct any payment that you have received or are entitled to receive from the carrier for the complaint or claim in question. Copies of the applicable international conventions and regulations are available from us on request.

(vi) We cannot accept any liability for any damage, loss, expense or other sum(s) of any description (1) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not reasonably have foreseen you would suffer or incur if we breached our contract with you or (2) which did not result from any breach of contract or other fault by ourselves or our employees or, where we are responsible for them, our suppliers. Additionally, we cannot accept liability for any expenses or losses that relate to or arise from any business (including without limitation, self-employed loss of earnings), or any indirect or consequential loss of any kind.

(vii) Where it is impossible for you to return to your departure point as per the agreed return date of your package, due to "unavoidable and extraordinary circumstances", we shall provide you with any necessary accommodation (where possible, of a comparable standard) for a period not exceeding 3 nights per person. Please note that the 3-nightcap does not apply to persons with reduced mobility, pregnant women or unaccompanied minors, nor to persons needing specific medical assistance, provided we have been notified of these particular needs at least 48 hours before the start of your holiday. For the purposes of this clause, "unavoidable and extraordinary circumstances" mean warfare, acts of terrorism, significant risks to human health such as the outbreak of serious disease at the travel destination or natural disasters such as floods, earthquakes or weather conditions which make it impossible to travel safely back to your departure point.

13) TRANSPORTATION (INCLUDING DELAY)

(a) Air, rail, road and other departure times are supplied by the carriers. Please see our full Terms and Conditions for details of our responsibility in the event of delay.

(b) If your flight is cancelled or delayed, your flight ticket is downgraded or boarding is denied by your airline, depending on the circumstances, the airline may be required to pay you compensation, refund the cost of your flight and / or provide you with accommodation and / or

refreshments under EC Regulation No 261/2004 (denied boarding and flight disruption). Please see our full Terms and Conditions for further information.

14) COMPLAINTS AND PROBLEMS

If you have a complaint about any of the holiday arrangements booked with or through Cox & Kings, you must follow the complaint procedure set out in our full Terms and Conditions.

15) FINANCIAL SECURITY

The Package Travel and Linked Travel Arrangements 2018 require us to provide security for the monies that you pay for the package holidays booked with us and for your repatriation in the event of our insolvency. We provide this security for our flight-inclusive holidays by way of our Air Travel Organiser's Licence (ATOL) (number 2881) administered by the Civil Aviation Authority. When you buy an ATOL protected flight or flight-inclusive package from us, you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit, you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent or your credit card issuer where applicable. You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme. The price of our flight-inclusive holiday packages includes the amount of £2.50 per person which is the ATOL Protection Contribution (APC) we pay to the CAA. This charge is included in our advertised prices. For further information, visit the ATOL website at www.atol.org.uk.

We provide full financial protection for our package holidays which don't include flights, by way of a bond held by ABTA Ltd, The Travel Association 30 Park Street London SE1 9EQ www.abta.co.uk.

16) LAW AND JURISDICTION

Your relationship (and any contract you may have) with us and any dispute, claim or other matters of any nature arising from it ('claim') shall be governed by and construed in accordance with English law. We both agree that any claim (and whether or not involving any personal injury) that arises between us must be dealt with under the ABTA arbitration scheme (if the scheme is available for the claim in question and you wish to use it) or by the Courts of England and Wales only unless, in the case of Court proceedings, you live in Scotland or Northern Ireland. In this case, proceedings must either be brought in the Courts of your home country or those of England and Wales. If proceedings are brought in Scotland or Northern Ireland, you may choose to have your contract and any dispute, claim or other matter of any description that arises between us governed by the law of Scotland / Northern Ireland as applicable (but if you do not so choose, English law will apply).

17) DATA PROTECTION
